

GET INVOLVED IN THE HUNT VALLEY COMMUNITY!

Hunt Valley Business & Community Meeting

Hosted by HVBF Stakeholders Committee

The Hunt Valley Stakeholders Committee was created with the purpose of being "the voice" of the Hunt Valley/Cockeysville business community. Come to this meeting to see if you will add your "voice" to ours as one business community.

The committee works to identify and seek resolution for the issues that affect our business community including traffic, transportation, public safety, real estate, legislation and economic development.

Wednesday, February 28, 2018
